AFTER-SALES SERVICE

AFTER SALES SERVICE

We, at Gulfpower Trading and Contracting, ensure that our customers can easily contact us whenever required. As a result, we provide efficient customer care services through different mediums. Whether you need repair or installation services or have some AMC related questions, you can get in touch with our customer care via phone, chat or E-mail. All you need to do is call our helpline number which is available 24/7 days a week.

ANNUAL MAINTAINANCE

We as a Gulfpower provide two types of Maintenance Services–

Preventive Maintenance: PPM is regularly performed while the equipment is still working so that it does not break down unexpectedly.

Comprehensive Maintenance: CPM is done as per schedule which includes breakdown equipment spare parts replacement, engineering and labor charges.
